Dear Tony Warcus,

Thank you for sending me details on a "Directory of 100 British Film and Video Artists". I would like to be included in the publication. Sorry the enclosed information has arrived late. I have been out of the country and have recently been very busy on some new applications for funds for some new pieces. I will also send you a short contextual essay on my work in general and I will also give you an extended biography and a new work outline by Mon 14th of Feb 1994.

I hope you have enough information to be getting on with, photographs will be no problem, as soon as you want them please specify the format and they can be posted quickly.

Once again, my apologies for being late, you will receive more information shortly and don't hesitate to call me if you have any problems.

Many thanks,

Lei Cox
