

FRIDGE
VIDEO LOUNGE
SATURDAY AUGUST II, 1984.

THE DUVET BROTHERS is the merging of two highly-strung film & video makers, Peter Boyd & Rik Lander er how did you meet & what have you been up to ?
"Well I'd just got back from NEW YORK, from trying to find myself and well lets face it I was pretty messed up , who wouldn't be, who wnat's to go to New York to try and find themselves, who wants to go to New York full stop, who wants to try and find themselves for that matter, and if they do find themselves what if they don't like what they find ? Well thats what happened to me.
So I got back from New York out of my head on ANDY WARHOL when I found myself being pushed off a bus and the next thing I knew I was looking up the nostrils of this very odd-looking face with a sly smile and gleaming eyes and from that moment I knew that my future was in his hands.
He said to me in the soft psychopathic tone of his voice:
"THE FRIDGE VIDEO LOUNGE SATURDAY AUGUST II, 1984"
I said "I8 SCREENS OF PURE EMOTION".
