SICK AS A DOG

30mins U-matic colour

"A sloshy track means the dogs will slide, so your best bet is the designated wide..."

...just one of a number of tips from the collected 'wisdom' of Terry Childs — self-styled greyhound philosopher. Terry's Dog Diary is an educational 'dead cert' for every gambler.

The question is ... is Terry so 'wide of the pack', so 'off the rails' as to be really 'round the bend'?

"A GLIMPSE INTO DOG RACING AND A LIFE STYLE A WORLD AWAY FROM THE ABSTRACTIONS OF MUCH VIDEO ART. GRITTY, FUNNY AND ENGROSSING."
