RE: ARTS COUNCIL/LATE SHOW "ONE MINUTE" PIECES

We have been told by the Late Show that they intend to transmit works from the scheme in the week beginning Monday 3rd June. The most likely nights are the 4th and 5th of June - although they may spread them over three nights not two. I should point out, however, that the Late Show is often a live transmission and these dates could change at very short notice. If this happens we will let you know - if we get sufficient advance notice ourselves. Exactly WHICH works will be transmitted will be decided on the transmission days by the Late Show - so, like you, we won't know which works have been selected until they are or are not aired.

We are currently issuing a press release about the scheme - enclosed is a copy. There will also be an overall publicity card for this years works available in about three weeks. If you would like a copy please ring Sandy Sage after June 17th.

Clive Gillman has the master copy that you supplied us with. If you would like it returned please give him a call on extension 456 after the transmission days.

Best wishes and thankyou for all your hard work for this years scheme,

Juliet McKoen
