On Saturday 14th and Sunday 15th of September, at 7.30pm, the Serpentine Gallery presents **REHEARSAL (AERIAL ARTISTS)** - Tina Keane's most recent and innovative collaboration with members from the circus-trapeze group, Ra-Ra Zoo. For only two performances, aerial artists, a crane, video projection, lights and specially composed music will transform the Serpentine Gallery lawn into a dare-devil display of skill, agility, time and motion.

REHEARSAL (AERIAL ARTISTS) combines the thrill of the circus with the spectacle of the out-door cinema, and dazzles with its apparent defiance of logic and the natural laws of gravity. A live dialogue is created between aerial artists, camera and crane and the resulting play between the three gives a sense of fear, logic and illusion.

Tina Keane is well known for her work in film, video and Live Art and for the imaginative diversity of her productions. Recently, her work has appeared at the Berlin Video Festival, the London Film Festival, the Museum of Modern Art, Oxford, and as part of the Artangel Artists on Spectacolour series on the Arthur Maiden Screen in Piccadilly Circus. Tina Keane is currently working on an installation for the Vienna Festival.

Ra-Ra Zoo are Britain's leading exponents of contemporary circus-theatre, and have performed regularly throughout the United Kingdom and Europe over the past six years.
