

THE INDEPENDENT

Piccadilly Circus Video-maker Jeremy Welsh is the fourth and latest artist to use the giant computer-animated Spectacolor board high above street level. His 30-second sequence — sowing daily every four minutes from 8am to midnight — deals with the first reactions of a child to the visual world. His colour graphics interplay with the flashing neon signs, cinema lights and window displays down below. *Opp Dunn & Co Piccadilly Circus W1 To 1 Apr.*

Royal Academy Italian Art In The 20th Century. *Piccadilly W1 (439 7438) To 9 Apr 10am-6pm daily; £4 (£2.70 Sunday until 1.45pm and concs).*
