LOCATION: DER Rental shop, High St.

OFFICERS NOTES: I was precedin' in a northerly direction up the High St. when all of a sudden I came upon a TV rental shop displaying explicit and disturbing material of a political nature. By the style of the video I recognised it immediately as the work of the evil Duvet Brothers. Each edit bore the mark of the particularly subversive Dickie Duvet who has been had up on several deconstruction charges in the past. The Brothers were obviously acting in cahoots with the notorious noise polluters Sergion and Herbtree. I immediately contacted Inspector Tetbit of the VIDEOPOLICE who taped the item. Under the Police and Criminal Evidence Act of 1984 this video can be used in evidence. Charges will also be brought against Gorilla Tapes for Aiding and Abetting and Perverting the course of an evenings viewing. Evening all.
